

17th March 2020

Dear Parents,

I have made the decision to send a pack of work home with each pupil for use in the event of school closure. PLEASE NOTE, SCHOOL IS NOT CURRENTLY CLOSED. However, I would like every pupil and their family to have access to resources, should they need them, as soon as possible.

In your child's folder, you will find PLENTY of Maths and English work. We are not asking you to return this work to school fully completed. It is to aid you in supporting your child's learning. Whether school closes or not, it is always useful to have access to learning resources. You will also find usernames and passwords for online learning platforms which can be used at home and which teachers will use to set tasks regularly.

In addition to this work and the learning platforms, there are several very useful websites which you can access:

- 1) Twinkl** - How you can sign up for a free month. This is a brilliant website, full of teaching resources and used by teachers across the world!

Step 1: Go to www.twinkl.co.uk/offer

Step 2: Enter the code CVDTWINKLHELPS

Step 3: Share the offer code and website link with anyone who could benefit

- 2) www.phonicsplay.co.uk**
A website which will give you access to many free phonics games – recommended for pupils in Reception, Year One and Year Two.

- 3) www.bbc.co.uk/schools**

Lots of free and interesting resources for all ages.

- 4) Fisher Price Play** : <https://play.fisher-price.com/>

Games to practise alphabet, numbers and shapes. More suitable for EYFS.

- 5) Cbeebies Games:** <https://www.bbc.co.uk/cbeebies/games>

A variety of educational games. More suitable for Nursery, Reception, Year 1 and Year 2.

6) Oxford owl: <https://www.oxfordowl.co.uk/>

Website with lots of educational games. Suitable for all.

7) Nasa Kids club: <https://www.nasa.gov/kidsclub>

Children's website about all things space. Suitable for all.

8) Education Quizzes: <https://www.educationquizzes.com/>

Education quizzes on different subjects. Suitable for all.

9) Year 6 practice tests: <https://www.satstestsonline.co.uk/>

Practice tests for Year 6 children.

10) Corbettmaths Primary: <https://corbettmathsprimary.com/>

Maths work for KS2.

Thank you for your continued support. As a school community, we will all work hard to provide the best possible opportunities for our pupils.

God Bless,

B. M. Smith (Headteacher)
