

## **Responsible Internet and Computer Use Rules**

- I will only use school computers for my school work.
- I will always show respect towards others and school equipment.
- I will not touch plugs that are connected to the mains electricity.
- I will only open and make changes to my own work.
- I will never put memory sticks, CDs or other storage items from home in to our school machines.
- I will only access the internet if my teacher knows.
- I will always follow the SMART rules of e-safety.
- I will minimise my screen and tell an adult in school if I see something that makes me uncomfortable.

**REMEMBER THE RULES OF BEING SMART ON THE INTERNET!**

**S**

**SAFE**

Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

**M**

**MEETING**

Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**A**

**ACCEPTING**

Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**R**

**RELIABLE**

Information you find on the internet may not be true, or someone online may be lying about who they are.

**T**

**TELL**

Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
