Living in the Wider World

**Module Three: Created to Live in Community**

Finally, Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

In the first Unit, Religious Understanding, the story sessions help children to develop a concept of the Trinity.

In subsequent sessions, we apply this religious understanding to real-world situations, such as the community we live in, and through exploring the work of charities which work for the Common Good.
