

Mr Powell's Pupil Questionnaire Responses

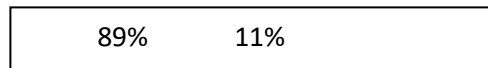

July 2024

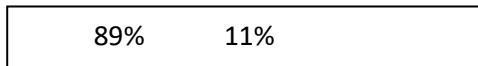

I feel happy in school

School understands my needs and what I need with my learning

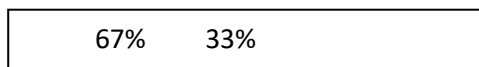

I have people to talk to in school if I need to

I am happy with the help and support I receive in school

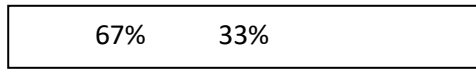

I get support and help from my class teacher

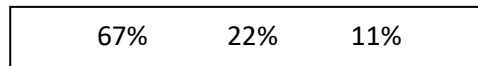

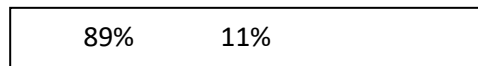

I get support and help from a teaching assistant

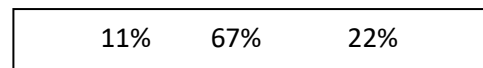

I know what I need to get better with in my learning

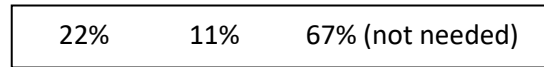

I am making progress with my learning

My work is too hard (red), just right (yellow), too easy (green)

I have some extra equipment in the classroom to help me.

There is a visual timetable in my classroom and it is used.
