We live, love and learn together joyfully in Jesus' name.

We are pleased to see that the majority of pupils feel happy to come to school and that they have trusted adults that they can talk to. Next academic year, we aim to ensure that all pupils receive and recognise praise, that we continue to work on positive behaviour in all areas of school and that we continue to equip our pupils with the knowledge and life skills needed in the future. (Percentages may not add up to 100% due to rounding.)
